

SUBMISSION: 3-6 except junior

Date May 16th 2017

FROM

Nederlandse Vereniging van Wedstrijdsurfers (NVW)

CURRENT SITUATION

In Class Rule C.1.2 is a limitation of 2 boards and 4 sails for an event

PROPOSAL

To change Class Rule C.1.2:

“During a Funboard event, not more than **3 boards and 6 sails for all divisions except junior** shall be used or registered for the event. Junior will race with 2 boards and 4 sails”

REASON

1. In the championships which are 5 days the wind conditions can vary widely. With the current equipment rule it is a gamble which 2 boards shall be registered.
2. For Junior competitors who are lighter in weight 2 boards and 4 sails are enough to cover all wind conditions.
3. Most competitors already have 3 boards.

PROCEDURE

After approval of the submission by the AGM the updated draft version of the Class Rules will be sent to World Sailing for approval. After approval by World Sailing the class championships will be modified.
