

SUBMISSION: 3-6

Date May 16th 2017

FROM

Nederlandse Vereniging van Wedstrijdsurfers (NVW)

CURRENT SITUATION

In Class Rule C.1.2 is a limitation of 2 boards and 4 sails for an event

PROPOSAL

To change Class Rule C.1.2:

“During a Funboard event, not more than **3 boards and 6 sails for all divisions** shall be used or registered for the event.”

REASON

1. In the championships which are 5 days the wind conditions can vary widely. With the current equipment rule it is a gamble which 2 boards shall be registered.
2. With a forecast that has a lot variety all the competitors take all their equipment with them.
3. Most competitors already have 3 boards.

PROCEDURE

After approval of the submission by the AGM the updated draft version of the Class Rules will be sent to World Sailing for approval. After approval by World Sailing the class championships will be modified.
