[Insert Title]

Appeal

A submission from the AUT

Purpose or Objective

Create the possibility for an appeal

Proposal

An Appeal has to be possible if there is no International Jury established according to the rules for such a committee. The current WSRR text not allowing an appeal in all potential an serious cases (other persons, serious errors, already drunk decision makers, ...) can only be understood having had an existing International Jury in mind. Everything else is neither just nor fair.
