Jury policy

OCS/BFD HEARINGS

The person in the best position to observe boards over the line is the race official sighting the line. If the line sighting and board identification are reasonable and proper, and the race committee is confident that the board is correctly identified over the line, it is unlikely that any other witness will have been in a better position.

TO MAKE A PROTEST/REQUIST For REDRESS

1. Inform the protestee during or immediately after the incident
2. Inform the race committee at the finishing line.
3. After finish go immediately to the jury (white flag with "JURY") on the beach with the protestee and witness (if any).

CONTACTING THE INTERNATIONAL JURY

The jury is available from the skippersmeeting until the end of the hearings. The use of private phone and WhatsApp messages to the jury is not appropriate.
